Digital Textile Printing

That Redefines Fabrics

Who

WE ARE?

Leading the Future of Sustainable Digital Textile Printing

Orange O Tec Pvt. Ltd., based in Surat, Gujarat, is a trusted provider of digital textile printing solutions. We deliver high-performance, Made-in-India printers designed for modern and sustainable fabric production.

With our in-house assembly line and a strong nationwide service network, we ensure not just advanced technology but also unmatched reliability, innovation, and long-term support.

Focused on innovation and efficiency, we're shaping the future of textile manufacturing where precision meets performance, and sustainability meets scale.
